The WBIF Bilateral Donors contribute directly to the Western Balkans Investment Framework Joint Fund in support of a sustainable and green transition in the Western Balkans. The Bilateral Donors are actively involved in the WBIF governance and operations to ensure concerted and coordinated efforts. They continue to support small scale yet high impact projects.

“As Bilateral Donors to the WBIF, we will continue to support the beneficiaries. Addressing social needs and improving the quality of public services – especially at the local level – is an important priority. We will also continue to support the green and digital transition. The WBIF has the structure, governance and means to implement this agenda.”
